### Keep It Light

Don't feel restricted to dark shades if you're attending an outdoor wedding. Lighter colours are a great choice for ceremonies in the warmer months. This beige suit creates a light, airy look that goes with pastel colours, bridesmaid dresses and even the wedding décor.

### Future Proof

Modern suits are about clean, fresh cuts and mixing in plenty of colour. A slim-cut suit will look flattering on most body types. This rich, dark green tone is an unexpected twist that will give your line-up of groomsmen the wow factor. It packs all the right elegance worn with a crisp white shirt and a matching printed tie and pocket square.
